## **A BRIEF HISTORY OF THE COLLEGE**

Dalgoma Anchalik College was a vision turned into reality for the knowledge thirsty masses of Dalgoma and nearby vicinities in Goalpara district, also covering some char areas of Barpeta district. On 25th of August 1993, the college was established after a prolonged effort as well as joint initiative of the Sponsoring and Governing Body and the general public under the able leadership of Late Ratneswar Das, the then MLA and Chairman of Assam Khadi and Village Industries Board, Assam. The college is located attractively at mid-place of Matia and Dalgoma, 13 km to the north from Dudhnoi, Head Quarter of Rabha Hasong Autonomous Council and 28 km to the east from Goalpara, the Sadar Town of Goalpara District. It is surrounded with the basic amenities like revenue circle office, development block office, police station, post office, banks, hospitals and road communication. Dalgoma Anchalik College, an Undergraduate (Degree) Arts College affiliated to Gauhati University, Guwahati, obtained first Government Concurrence in the year 1995 and final Government Concurrence in the year 1998. The college is registered under the Societies Registration Act, 1860 and under section 2(f) and 12(B) of UGC Act, 1956. On the march of progress, despite many odds, the college is getting ahead in cooperation with the various committees of teachers, employees and students, members of the hon’ble governing body of the college, alumni as well as the local leadership. With a view to catering to the need of higher education, major courses in all six subjects were introduced in the college since its inception. Here, the examination centre for the undergraduate level (B. A.) has been running without interruption since 1998. The students from a very alarming socio-economic condition with a poor educational facilities have been showing shining results in the examinations only with their own endeavour and the contribution of the industrious teachers. The ready reference may be viewed easily in the scene of their higher degrees and placement in various engagements of our beloved alumni. Our Internal Quality Assurance Cell (IQAC) has been upholding constant pains in this regard. The then Chief Minister of Assam, Late Hiteswar Saikia laid the foundation stone of the college building on 3rd November, 1993 and it was later inaugurated on the 15th of July, 1995. So far as the academic as well as infrastructural facilities are concerned, the college has a library with a good number of books, journals, magazines, newspapers, reading room, laboratory (Education), vast playground, principal’s chamber, office room, boys common room and girls common room, separate departmental chambers, bicycle stand, separate toilet for boys and girls, running water facility and so on.
